Capitalized terms used in the discussion and not otherwise defined herein have the same meaning as used in the Offering Circular. Prospective purchasers of the Bonds should consult their tax advisors.

With respect to Additional Bonds issued at par or at a discount, we intend to treat the Additional Bonds offered through this supplement as part of the same issue as the Original Bonds pursuant to the provisions of section 1.1275-2(k) of the Treasury Regulations. Therefore, U.S. Holders of the Additional Bonds should not be required to accrue any original issue discount on the Additional Bonds. The tax consequences of Additional Bonds issued at a premium are set forth in the Offering Circular.

As recommended by the Offering Circular, you should consult with your tax advisors concerning the tax consequences of purchasing Additional Bonds, including the tax consequences of purchasing such Additional Bonds with market discount.
