The objective of the Audit Committee (“Committee”) of the Board of Directors (“Board”) of the Federal Home Loan Banks Office of Finance (“OF”) is to provide general oversight of:

- ❖ the integrity of the combined financial statements of the Federal Home Loan Banks (“FHLBanks”) and the financial statements for the Office of Finance Operating Fund (“OF Operating Fund”);
- ❖ the OF’s accounting and financial reporting processes as it relates to the combining process and the OF Operating Fund;
- ❖ the OF’s internal control system;
- ❖ the independent financial statement audits of the FHLBanks’ combined financial reports and the OF Operating Fund;
- ❖ the appointment, qualifications, independence, performance and compensation of the OF’s external and internal auditors; and
- ❖ the OF’s compliance with legal and regulatory requirements and the ethical standards adopted by the OF.

In accordance with guidance from the Federal Housing Finance Agency (“FHFA”), the Committee shall not be responsible for the underlying financial statements and other data of the FHLBanks contained in the combined financial reports, and is entitled to rely on those financial statements and other data as submitted by the individual FHLBanks. Furthermore, the combined financial reports and combined financial statements are the responsibility of the OF and its management.

2.0 RESPONSIBILITIES AND DUTIES

2.1 Management is primarily responsible for the preparation, presentation and integrity of the combined financial reports and the OF Operating Fund financial reports, the OF’s accounting policies and the OF’s internal controls and procedures designed to address operational and administrative risks and promote compliance with accounting standards, financial reporting and disclosure requirements, applicable laws and regulations and the OF’s ethical standards. The external auditors are responsible for performing an independent audit of the annual combined financial statements and an independent audit of the annual OF Operating Fund financial statements, expressing an opinion as to the conformity of those financial statements with generally accepted accounting principles, and reviewing the quarterly combined financial statements. The individual FHLBanks are responsible for their respective underlying financial statements and other data, accounting policies and internal controls and procedures.

The Committee oversees, but is not intended to duplicate or to certify, the activities of management and the external auditors. The Committee is specifically responsible for:

- ❖ Ensure, for purposes of the combined financial reports, that the FHLBanks adopt consistent accounting policies and procedures to the extent necessary for information submitted by the FHLBanks to the OF to be combined to create accurate and meaningful combined financial reports.
- ❖ Consider whether to establish, in consultation with the FHFA, common accounting policies and procedures for the information submitted by the FHLBanks to the OF for the combined financial reports where the Committee determines such information provided by the several FHLBanks is inconsistent and that consistent policies and procedures regarding that information are necessary to create accurate and meaningful combined financial reports.
- ❖ Direct OF senior management to maintain the reliability and integrity of the accounting policies and financial reporting and disclosure practices of the OF.
- ❖ Direct OF senior management to provide the Committee with adequate information and reports to carry out its duties and responsibilities and challenge management and auditors where appropriate.
- ❖ Review and understand how management and the external auditors assess financial statement materiality for the annual audited combined financial statements and the quarterly combined financial statements of the FHLBanks and the OF Operating Fund financial statements.
- ❖ Review the basis for the OF Operating Fund financial statements and the external auditors' opinion rendered with respect to such financial statements.
- ❖ Discuss any matters required to be discussed by Statement on Auditing Standards 114, *The Auditor's Communication with Those Charged with Governance* (as may be amended from time to time and including any successor standards) and other concerns the external auditors have with respect to positions taken in the combined financial statements and the OF Operating Fund financial statements.
- ❖ Review and discuss any matters, including the responses of management with regard to these matters, that the external auditors are required under professional auditing standards to communicate to the Committee, such as:
 - significant audit adjustments,
 - external auditor independence,
 - disagreements with management, and

its activities related to FHLBank System-wide reporting.

- ❖ Prepare a report for inclusion in the FHLBanks' annual combined financial report describing the discharge of its responsibilities relating to the FHLBanks' combined financial statements, to the extent required by law.
- ❖ Assure there are policies in place to notify the FHFA of any accounting treatments or policies identified as having significant legal, reputational, or safety and soundness risks, with a focus on accounting treatments or policies that do not employ accounting principles generally accepted in the United States or preferred methods.

Internal Controls & Compliance:

- ❖ Ensure that senior management has established and is maintaining an adequate internal control system within the OF by:
 - reviewing the OF's internal control system and the resolution of identified material weaknesses, significant deficiencies and reportable conditions in the internal control system, including the prevention or detection of management override or compromise of the internal control system, and
 - reviewing the programs and policies of the OF designed to ensure compliance with applicable laws, regulations, and policies, including OF ethics policies, and monitoring the results of these compliance efforts.

- ❖ Review the policies and procedures established by senior management regarding the hiring of current or former employees of the external auditors.
- ❖ Obtain reasonable assurance that significant findings and recommendations made by the Chief Audit Executive, the external auditors, the FHFA, and any other regulatory body relating to the FHLBanks' combined financial reports and the OF's general operations, including the OF Operating Fund financial statements, are received and discussed on a timely basis, including evaluating management's responses to the findings and recommendations.
- ❖ Establish procedures for: (a) the receipt, retention, and treatment of complaints received regarding accounting, internal accounting controls, or auditing matters; and (b) the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

- ❖ Review the performance of the external auditors, including consideration of the external auditors' internal quality control procedures, Public Company Accounting Oversight Board ("PCAOB") inspection results, and audit quality indicators.
- ❖ Review any material issues arising from the most recent internal quality control review by the external auditors, a quality control review conducted by the PCAOB or a peer review of the external auditors, or raised by any inquiry or investigation by governmental or professional authorities within the preceding five years.
- ❖ Assure the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit, as required or appropriate.
